

If you missed the first annual Handcar Regatta, I'm sorry to say that you missed one of Santa Rosa's coolest events...well...ever. Though the concept was a little hard to grasp for the uninitiated, if you've ever been to Burning Man you'll get it. Steam punkers, railway antiquity, costumes, stilt walkers, fantastic inventions, music, food and general merriment.

**What the #!@%**

BiteClub is getting a makeover! Now you can **register, create your own profile**, and hopefully find things a lot easier.

**Want to go back to the old blog to find something?**

But hurry back!

Wine Country dining. Drive-through sensibility. Heather Irwin's dish on the region's best food bets—short, sweet and just what you need to know.

Don't miss a morsel! BiteClub delivers...
